

STEEL LOOK EXTERIOR DOORS

Product Description:

Our Steel Look Exterior Doors are designed to reflect the refined appearance of classic steel without the limitations associated with metal construction. Featuring our narrow stile option, simulated divided lites, durable Exposure Rated materials such as Accoya® and Tricoya®, and steel inspired paint colors, they offer the authentic appearance of steel while delivering the superior performance and sensory experience of wood. Built in our Ultimate Wood Construction with Exposure Rated materials, our Steel Look Exterior Doors do not require an overhang, making them suitable for a wide range of exterior applications
